Judge For Yourself

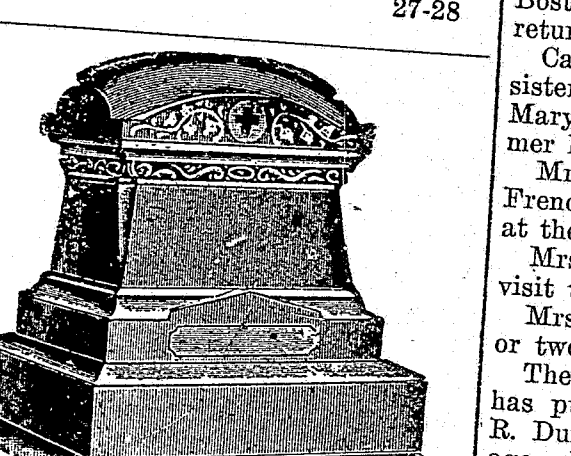

Which is Better—Try an Experiment or Profit by a Norway Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, lame, weak, or aching one, Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from faraway places.

It is different when the endorsement comes from home. Easy to prove local testimony. Read this Norway case:

E. C. Libby, Sanborn St., says: "I had backache a great deal and it annoyed me to do anything. My head ached frequently, too. I also noticed little specks before my eyes and my sight blurred. I used various medicines, but it was left for Doan's Kidney Pills to give me lasting results. Since using them, I have had no return of the complaint and I have great confidence in Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Libby had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Music Will Help You

To Harmonize
Yourself with your condition
Your work with your pleasure
Your family with your home.

MUSIC will help you to live your life so as to get the most out of it, to do your work so you can put the most into it, and it will help every member of your family as it helps you.

We have just passed through strenuous times. Music carried us over the rough places, kept our hearts up and our nerves steady. The whole nation worked with a will, worked together and accomplished its purpose to the rhythm of music. And the rhythm of music will never pass out of our lives. It will be waiting for us at the end of a hard day's task, it will bring us rest when rest is what we need. It will add to our gaiety when we want the brightness to sparkle. It will fill the empty chair when we are lonesome. It will bring us quiet contentment, rich enjoyment, solid comfort according to our desire and the need of the moment.

Yes, it will help every one of us over stony paths and along the broad highway. And it will help each member of our family, for it develops that community of interest, that bond of unity so valuable to a Family or to a Nation.

See that Music brings its blessings to You and Your Family.

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—wake up! These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are converting poisons to accumulate and are converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

DEATH OF FORMER LOVELL MAN

Hon. H. F. Andrews passed away at
his home in Exira, Tuesday morning,
May 27th. He was born at Lovell, Me.,
June 27, 1844. He was married at
Atlantic, Iowa, February 27, 1871, to
Miss Jennie M. Norton of Oakfield, Iowa.
On July 18, 1862, he enlisted as a
private in Company D, 16th Reg., Vol.
Maine Inf. and was mustered into service
August 14, 1862. His regiment started
for the front August 19th and he was
with them in the second battle of
Providenceburg and at Chancellorsville,
May 1863 he contracted an illness from
which he never fully recovered. After a
hospital experience he was with his regi-
ment at Gettysburg, Rappahannock
Station, Rapidan river and back to Mine
Run in November 1863. He participated
in the battles of the wilderness and
Spottsylvania. He was discharged for
disability at Washington July 13, 1865.
He came to Exira, October 3, 1865,
where his parents had moved while he
was in the army, and where he has pri-
vately resided. He taught school, work-
ed at farming and carpentering. He
served as Audubon County Recorder
1867-8; as County Judge in 1868; was
admitted to the bar in 1870; Deputy U.
S. Marshal and U. S. enumerator for
Shelby and Audubon Counties in 1870.
He attended the law department at Iowa
State University and was admitted to
practice in Supreme Court and U. S.
Department. He held the office of
County Attorney from 1884-6 and was
State Senator from 1892 to 1895; Mayor
of Exira from 1894-5. He has been a
member of nearly all local organizations,
especially and longest of the G. A. R.,
four times Colonel and Aid-de-camp on
the staff of the National Commander.
He was always pleased to assist old
veteran comrades in procuring pensions
from the government.

Mr. Andrews was chairman of the
Military Committee in the Senate of
Iowa at the time of the building of the
Iowa Soldiers' Monument at Des
Moines. He was the author of the "An-
drews Family," published in 1890;
"The Hamlin Family," in 1894; "The
Hamlin Family," in 1900; "The Hamlin
Family," 1902; "History of Audubon
County," in 1918.

He leaves to mourn his loss five chil-
dren, Charles F., Jessamine J., Wallace
Pearl; John H. and Philip S. Pearl
has been here for sometime caring for his
father during his last illness.

The funeral services were held Friday
afternoon, at the home of Miss Amber
Kelsey, at 2 o'clock, Rev. Baldwin in
charge. Interment will be made at
Exira cemetery.

The following note was written by
Joseph Andrews of Hurley, South
Dakota:—H. F. Andrews was my chum
and playmate from about 1855 until 1862
when he enlisted, and marched away to
fight on southern soil. As a genealogist,
in writing the Andrews and Hamlin his-
tory, he did more than any other person
in putting on record the history of old
Lovell town. In preparing those histor-
ies he spent much time and money. He
visited both Bibbick and Danvers, the
ancestral homes of the Andrews family
in Massachusetts and from ancient tomb-
stones, church, town, and family records,
he sought for proof that would throw
light upon the history of the Lovell
pioneers. For several years he has had
all bound and indexed and ready for
printing press some 15 volumes of an
enlarged and revised edition of his
Andrews history in its various branches.

When I visited him a few weeks ago,
owing to his failing health he planned to
go to the soldiers' home at Marshall-
town, Iowa. He told me that printing
his history would cost more than \$2,500
and he was not financially able to have it
printed but would leave it with one of
his boys, at some later date to be put in
the hands of some Eastern Historical
society. His brother Isaac S. Andrews
3rd who lives at Atlantic, Iowa, is the
last surviving member of the family.
